We would like everyone to participate in this years high school swim tune up. Coach Sean has arranged a great swimming workout to prepare you for the upcoming high school swim season. Information below. The price will now be prorated.

The Rockdale Riptides are offering the High School Tune-up program again this season with a slight variation in practice time. We only had 4 kids that were able to make it to the practice time right after school last year. So this year, we are going to incorporate the High School Tune Up program into our existing team. It will be a win for the kids to have more flexibility in when they can practice and a win for me(Coach Sean) - - I won't have to come to the pool at 3:30 for 3-4

kids! And then stay until almost 9:00 to accommodate the year round kids. :) :)
